

Special Track promotion

Dear Colleague

We cordially invite you to submit a paper to the upcoming “International Conference on Emerging Trends in Networks and Computer Communications (ETNCC-2011)” to be held from 22-24 April 2011, in Udaipur, India

Topics of the ETNCC-2011 Special Track include (but are not limited to): Multimedia Networking System, Mobile and Ad hoc Networks, Wireless networks, Sensor Networks, Vehicular Networks, Security Systems, Network-on-chip (NoC), Pervasive Education Systems, etc.

Udaipur, known as the Venice of the East, has also been declared as the most beautiful city in the World by the Travel+Leisure Magazine of USA.

All papers in conference proceedings will be included in the IEEE Xplore (IEEE Conference Record Number for ETNCC-2011:18690).

The registration fee includes proceedings, lunch, dinner, tea break and all technical session. ETNCC -2011 is technically co-sponsored by IEEE Delhi section.

To **promote international participation of researchers** from outside the country where the conference is held (i.e., India), researchers outside of India are encouraged to propose invited sessions. The first author of each paper in an invited session must not be affiliated with an organization in India. All papers in the invited sessions can be marked as "Invited Paper". The organizer(s) for each invited session with at least 6 registered papers will (jointly) enjoy an honorarium of USD 450. Invited session organizers will solicit submissions, conduct reviews and recommend accept/reject decisions on the submitted papers. Invited session organizers will be able to set their own submission and review schedules, as long as a list of recommended papers is determined by 10th March 2011. Each invited session proposal should include: (1) the name, brief biodata, and contact information of each organizer of the invited session; (2) the title and a short synopsis of the invited session. Please send your proposal to etncc@mpuat.ac.in
